

ARRRGH YOU READY TO RUN? FEB. 25-26, 2023

The GDCA is excited to return to a 'normal' 2023 Publix Gasparilla Distance Classic Race Weekend.

We've appreciated your support and understanding as we worked diligently to navigate through 2021 and 2022.

As we continue planning for the 2023 PGDC Race Weekend, we're excited to share some COVID-specific changes you'll see during race weekend.

- **No proof of vaccination or negative test is required to participate in or attend the 2023 PGDC Race Weekend.**
- **Participants will not be required to wear a mask at the Start Line, Finish Line, or after crossing the Finish Line.**
- **We don't anticipate a need for any mitigation efforts.**
- **We'll make decisions regarding Start Wave Times & Capacities in the coming months.**
- **It will be up to each individual whether to wear a mask during the 2023 8 On Your Side Health and Fitness Expo, during 2023 PGDC Race Number/Shirt Pick-Up or throughout the 2023 PGDC Race Weekend.**

Please Note: Currently, there are no mandates or COVID-19 guidelines in the City of Tampa or the State of Florida. In the unlikely event either is announced, we will reassess our approach to the 2023 PGDC Race Weekend.

We look forward to seeing you for the **2023 PGDC Race Weekend on February 24-26**, and you can look forward to the fun and excitement you've come to expect from the Gasparilla Distance Classic Association!
